Date: May 23-25, 2016

Venue: Ormylia Foundation - Art Diagnosis Centre, Ormylia Chalkidiki, Greece

www.ormyliafoundation.gr

The Infrared and Raman Users Group (IRUG) is pleased to announce that the twelfth IRUG Conference (IRUG12) will be held at the Ormylia Foundation - Art Diagnosis Centre, Ormylia Chalkidiki, Greece, May 23-25, 2016. The conference will include oral and poster presentations addressing all aspects of the application of IR and Raman spectroscopies for the study, documentation and protection of the world's cultural heritage. Although all papers are welcome, a special topic that will be addressed within the conference sessions is the Advancements in Infrared and Raman Spectroscopies Applied in Archaeological Science.

Important dates:

Abstract Submission (500 words): September 15 – December 15, 2015

Notification of Acceptance: January 15, 2016

Final Program: February 15, 2016

Registration: September 15, 2015 – April 30, 2016 (Normal 250 €, Student 150 €)

Conference: May 23-25, 2016

Further information for abstract submission and online registration procedures, social events, accommodations and transportation is forthcoming and will be published soon at the Conference Website: IRUG12-ormylia.gr
The official conference language is English.

Please address inquiries to: Dr. Sophia Sotiropoulou at s.sotiropoulou@artdiagnosis.gr

Looking forward to your abstract submission and to seeing you in May 2016.

Welcome to Ormylia, Greece!

On behalf of the Organizing Committee,
Sophia Sotiropoulou, Chair of the IRUG 12

IRUG is a not-for-profit 501(C)3 organization that encourages the development and sharing of IR and Raman reference data and information for cultural heritage studies: <http://www.irug.org>.
